Students will stay in homes of church members for the weekend. Please see below for a theme overview:

In our social media-saturated world, filters are everywhere. Whether they are literal filters we apply to a photo or ways of acting or speaking that portray a certain image, they distort reality. It's dangerous enough when these filters affect the way we see ourselves or each other, but what about when they affect our walks with Jesus? Seeing God clearly is the first step to seeing ourselves, others, and everything else clearly. That is what DNOW is going to do, help our students see God clearly. We'll learn to take off the filter, to stop hiding, and to live Unhindered!

We will meet each Sunday at 5pm beginning **August 22nd**. The book cost is \$17.00 which is due by Aug. 15th. Please sign up if you plan to attend and need a book.

THE MESSAGE OF JESUS

Therefore, brethren, having boldness to enter the Holiest by the blood of Jesus, by a new and living way which He consecrated for us, through the veil, that is, His flesh, and having a High Priest over the house of God, let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience and our bodies washed with pure water. Let us hold fast the confession of our hope without wavering, for He who promised is faithful. And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the day approaching. *Hebrews 10: 19-24*
